

КРАТКА БИОГРАФИЈА

др Алексеј Тарасјев

Одељење за еволуциону биологију

Институт за биолошка истражвања "Синиша Станковић", Универзитет у Београду

Булевар Деспота Стефана 142, 11000 Београд, Србија

тел. на послу +381 11 207 83 76

мобилни +381 63 721 42 50

е-mail: tarasjev@yandex.ru

tarasjev@ibiss.bg.ac.rs

Датум и место рођења 18 октобар 1963, Београд, Србија

Држављанство Србија

Језици руски (матерњи), српски (матерњи, билингвалан), енглески

Образовање

1995	Доктор биолошких наука , Билошки факултет, Универзитет у Београду
1989	Магистар биолошких наука , Одсек за биологију, Природно-математички факултет, Универзитет у Београду
1983-1987	Дипломирани биолог Општа биологија (Биологија популација) Одсек за биологију, Природно-математички факултет, Универзитет у Београду

Запослење

2016-	Руководилац Одељења за еволуциону биологију , Институт за биолошка истражвања "Синиша Станковић", Универзитет у Београду
2014-2016	Научни саветник , Одељење за еволуциону биологију, Институт за биолошка истражвања "Синиша Станковић", Универзитет у Београду
2005-2014	Виши научни сарадник Одељење за еволуциону биологију, Институт за биолошка истражвања "Синиша Станковић", Универзитет у Београду
1996-2005	Научни сарадник Одељење за еволуциону биологију, Институт за биолошка истражвања "Синиша Станковић", Универзитет у Београду
1991-1995	Истраживач сарадник Одељење за еволуциону биологију, Институт за биолошка истражвања "Синиша Станковић", Универзитет у Београду
1989-1991	Истраживач сарадник Одељење за генетику, Институт за биолошка истражвања "Синиша Станковић", Универзитет у Београду
1987-1989	Асистент Одељење за генетику, Институт за биолошка истражвања "Синиша Станковић", Универзитет у Београду

Руковођење пројектима

2006 - 2011	Руководилац националог пројекта МНТР - основних истраживања из области биологије бр. 143040 <i>Еволуција у хетерогеним срединама</i> . Резултати пројекта су објављивани у реномираним међународним часописима као што су <i>Molecular Ecology</i> , <i>Molecular Phylogenetics</i> , <i>Genetics Selection and Evolution</i> , <i>Plant Systematics and Evolution</i> и други.
-------------	--

Учешће на пројектима

2011 -	Руководилац тима за еколошку генетику и еволуциону екологију биљака на пројекту
2002 -2005	Руководилац тима за еколошку генетику и еволуциону екологију биљака на пројекту
1991 - 2001	Учесник пројекта
1987 -1990	Учесник пројекта

Остале активности

2018 -	Председник Научног већа, Институт за биолошка истражвања "Синиша Станковић", Универзитет у Београду
2008-	Члан Liaison Group on Capacity-building for Biosafety (Secretariat for Convention on Biological Diversity)
2005 –	UNEP GEF BCH Regional Advisor for Cartagena Protocol
2004-	Председник Националног савета за биолошку сигурност при Министарству пољопривреде, шумарства и водопривреде Републике Србије (од 2009 Стручног савета за биолошку сигурност)
2002-	Члан Националног савета за биолошку сигурност при Министарству пољопривреде, шумарства и водопривреде Републике Србије (од 2009 Стручног савета за биолошку сигурност)
2000 –	Члан Научног већа, Институт за биолошка истражвања "Синиша Станковић", Универзитет у Београду
2009- 2012	Члан Steering Committee for Coordination Meetings of Governments and Organizations Implementing or Funding Biosafety Capacity-building Activities (Secretariat for Convention on Biological Diversity)
2008-2012	Члан Informal Advisory Committee for Biosafety Clearing House (Secretariat for Convention on Biological Diversity)
2008 (April –December)	Working on position of Officer for Agricultural Research and Biotechnology in FAO UN Regional Office for Europe and Central Asia (on <i>ad interim</i> basis)
2001-2002	Member of <i>Committee for Wild Species Protection</i> in Department of Health and Environmental Protection, Republic of Serbia
1999- 2001	Member of the Academic Council of <i>Alternative Academic Educational Network</i>

As Full Research Professor Aleksej Tarasjev is conducting basic and applied scientific research in the field of evolutionary ecology, ecological genetics, biomonitoring and conservation of biodiversity. Supervising colleagues and PhD students. From 2000 leads research team in field of evolutionary ecology and ecological genetics of plants, from 2005 project leader (principal investigator). Published several papers in leading scientific journals. Supervised as a mentor two PhD theses of his collaborators. Achieved highest scientific title of Señor Researcher (Research Full Professor). In 2006-2010 leaded project in basic science "Evolution in heterogeneous environments" that was evaluated by funding agency (Serbian Ministry for Science and Technology) as being among most successful projects in biology in 2005/2010 period.

As UNEP GEF BCH Regional Advisor for Cartagena Protocol on biosafety he participated in organizing and conducting regional biosafety workshops (for EU member Countries – Ljubljana, Slovenia 2007, for Central and Eastern Europe Region – Cairo, Egypt, 2008, for Europe and Asia – Bonn, Germany 2008) as well as several national ones (Moldova 2005, Albania 2007, Belarus 2008, Montenegro 2009, Macedonia 2009). Aleksej Tarasjev is author of the *Study of BCH Users and Potential Users* mandated by COP MOP 4 and commissioned by Executive Secretary of CBD (<http://www.cbd.int/doc/meetings/bs/mop-05/information/mop-05-inf-01-en.pdf>)

Working on position of Officer for Agricultural Research and Biotechnology in FAO UN Regional Office for Europe and Central Asia (2008), Aleksej Tarasjev was covering several FAO projects and organized regional workshops for CEE and Central Asian Countries (Prague, Czech Republic and Tashkent, Uzbekistan). Aleksej Tarasjev was also working as International Consultant for Risk Analysis on FAO UN projects.

Aleksej Tarasjev has been invited to act as a reviewer for *Plant Systematic and Evolution, Ecological Indicators, Biological Journal of Linnean Society* and *Archive for Biological Sciences* journals
